As per our 4/15 phone conversation, please withdraw the manuscript that was sent to prb on 7 Dec. The version sent last night is the final galley version from the publisher. We have redacted the segments that CIA requested and this is the final version. There will be no more changes. Thank you.

Dear John:

Thank you for the blacked-out version.

The CIA Publications Review Board has received your manuscript for prepublication review. We will notify you of the Board's decision as soon as the review is completed.

We make every effort to complete our reviews as quickly as possible and attempt to meet reasonable deadlines. Reviews usually take 30 days or fewer, but will likely take considerably longer if the manuscript is lengthy, if issues presented are complex, or if the manuscript must be referred to another U.S. Government entity or entities (e.g., NSA, NSC, NGA, NRO, DIA, DoD, DoE, ODNI, etc.), due to equities involved. Books are taking many months to complete.

The Board appreciates your cooperation with prepublication review. The PRB may be contacted at (b)(3) CIAAct if you have any questions or if we can be of further assistance.

Please include (b)(3) CIAAct on all messages in order to ensure appropriate and timely action is taken.

Regards,

(b)(3) CIAAct
